CHANEL HAUTE COUTURE A/W '13

### STACKS ON

Heartbreak: the house of the double Cs *isn't* putting the knuckle rings we eyeballed at Chanel's couture show into boutiques. Runway only, sadly. High point: we've found midi rings kinda-sorta like it online. Stack them on fingers polished with soft, pretty pink. It's a little bit petal, a little bit metal – just how we like it.

Rings, US\$14.99 for set of 5, AlinMay, etsy.com.

Chanel Le Vernis nail lacquer in Ballerina, \$39, 1300 242 635.
